设计师推荐品牌

我们把钛镁合金与纳米抗倍特有机结合，利用纳米抗倍特耐磨、耐冲击防火、防水、防菌、防静电及抗强酸强碱、耐化学腐蚀等特性，打造时尚简约的高品质意式系列房门。

我们将意大利平板门的设计风格引入中国市场，产品独具环保时尚，简约的风格，深受众多高端设计师青睐，采用高精度生产设备，严守质量关，自该系列产品面世以来，已受国内外客户的喜爱。

We combine titanium magnesium alloy with nano anti-wear, impact resistant, fire-resistant, waterproof, antibacterial, anti-static, strong acid and alkali resistant, chemical corrosion resistant and other characteristics to create a stylish and simple high-quality Italian series of doors.

We have introduced the design style of Italian flat doors to the Chinese market. Our products have a unique and environmentally friendly fashion, simple style, and are highly favored by many high-end designers. We use high-precision production equipment and strictly adhere to quality standards. Since the launch of this series of products, they have been loved by customers at home and abroad.
